\$50 OFF
AIR DUCT
CLEANING

Not Valid With Other Offers. Expires 12/31/11.

Air Ducts

Your Home Cleaning isn't complete without an Air Duct Cleaning. Sanitizing included. Complete Air Duct Cleaning service helps remove pollen, dustmites and mold.

Dryer Vents

- Clogged dryer vents are the second leading cause of household fires.
- Birds and droppings trapped inside your dryer vent may cause disease and/or fires.
- Clogged vents increase drying time and increase electricity bills.

Conscientious Chimney Service

Oil/Gas Furnaces
Woodstoves
Relining
Repairs*

Is Your Chimney Safe?

Carbon Monoxide poisoning and chimney fires are caused by neglected chimneys.
